

Salem - Chapter 31

salemwarthogsmc@gmail.com

www.salemwarthogs.com

Dear Sponsor,

The Salem Warthogs are in great need of your help with our upcoming fundraiser to raise money for public safety officers and their families when they are killed in action, severely injured, or are otherwise in need of help. Public Safety officers are the heroes of our communities and this is a great opportunity for our community to give back.

On Saturday, September 17th, 2022, the Salem Warthogs will be hosting the 16th annual "Skip Gage Memorial Ride and Benefit" in Farmington Hills, Michigan, to raise money for our fund. This fundraiser is named after the late founder of the Warthogs, Arthur "Skip" Gage, a retired Detroit Police Motor Officer.

If you are not familiar with us, the Warthogs M/C is a motorcycle club whose membership is made up of Public Safety Officers including active and retired police officers, firefighters, E.M.T.'s, and court officers. The Salem chapter of the Warthogs is one of 78 Warthog chapters in the United States, Canada, and Norway. The goals of the Salem chapter can best be summed up by our mission statement:

"Our love for our country, the bond of public safety, and our passion for motorcycles are combined to provide support to public safety officers and their families during their time of greatest need."

Please contribute to this great cause by becoming a sponsor of our event. We will accept cash donations and services as well as items we can include in our raffle such as merchandise and gift cards. We also have booths available for rent at our event to sell or show off your company's products. If interested, please contact us through our email or give us a call at one of the phone numbers below.

The Salem Warthogs are a 501(c)(3) public charity (EIN# 20-4123775) which means all donations made to our organization are tax-deductable. For your donation, you will receive the following at a minimum:

- A thank you letter detailing your company's donation (keep this letter for tax purposes).
- Your company and donation will be recognized on the day of the event by everyone in attendance.
- Satisfaction in knowing your company will have provided support to our community heroes in need.

Thank you for your consideration and support,

Stacy Trott
